CONDENSED RENTAL POLICIES

All rental fees must be paid in advance except to pre-approved in-house charge accounts. There is a non-refundable 25% reservation deposit required on all orders, which is applied to the total rental cost. A credit card number is required in case of damage or loss. You must be 18 years of age to rent and a picture ID is required. We accept Cash, Check, Debit, Visa, Mastercard, Discover & American Express.

All rental fees are for one day of use. This means rental inventory can be picked up the day before the event, then returned the day after your event. There are no extra rental fees due to our delivery/pickup scheduling. Extended rentals are available at an additional cost. All inventory counts must be verified by you or your representative at time of pick-up or our delivery.

Responsibility for rental items remains with the customer from the time of delivery or customer pickup, to the time of our pickup or customer return. You will be charged a replacement cost for any damage or loss to rental inventory. The above is a condensed listing. Please call for a copy of our complete Rental Policies and our Terms & Conditions, or download them from our website at www.abbottrental.com. All prices are subject to change.

CENTURY TENTS

These graceful, tension pole tents meet the toughest standards for stability and safety, and offer superior resistance to the elements. With their high, elegant peaks and dramatic curves, the Century Tent offers a clean, white and airy spaciousness. They are supported by white center and side poles, and available in many sizes for any size event.

20 x 30	\$325

SAILCLOTH TENTS

Our new Sailcloth tents are the perfect addition to our portfolio. Contemporary, striking and versatile, they offer a stunning choice for any event. The Sailcloth Tent positively glows with it's translucent top, and natural wood poles. It offers rounded ends, clear side walls, and with no valance it offers you and your guests a true 'open-sided' feel to your event.

FRAME TENTS

Frame Tents fit a much needed niche in the tent world. A visible metal frame-work supports the tent so there are no center poles. Perfect for tight areas such as small yards, decks, swimming pools, and stages - the uses are limitless. They can also be attached to other tents as cook or chef tents, band or dance floor tents, and can also serve as marquee or walkway tents.
